### Conferences...

We ask that you please return your sheet marked with the times you will be available for Parent Teacher conferences. If you can't make one of those times work, please contact your child's teacher so that we can schedule a time that will work for you. When you receive your conference time please arrive on time ready with any questions or concerns that you have. We only have 15 minutes for each conference, and we want to make the most out of our time. We expect 100% participation!

### Drop Off and Pick Up Procedures

Parents/Guardians are expected to wait with their children until teachers collect classes at 7:25 and 11:10. After session for pick up, you must get out of your car to collect your child. We will not release your child to anyone other than you or your emergency contacts. If you have questions, please see one of us!

### Outdoors

We do go outside every day for recess. As the weather begins to change make sure your child is wearing appropriate clothing. If your child gets cold easily please send them with a sweater or sweatshirt that they can wear in class, and when they play outdoors!
