**ASSIGNMENT
NOTEBOOKS:**
ARE NOT BEING
FILLED OUT DAILY BY
EVERY STUDENT.
PLEASE CHECK THEM
NIGHTLY TO ENSURE
ALL HOMEWORK IS
BEING COMPLETED.

I can't believe we are a month into the school year. The class is getting settled into classroom routines and procedures. I think everyone is enjoying moving classes to different teachers for each subject.

If you need to contact me please call the office 262-359-6002 or use the email below.

Conference Forms

Pink Conference scheduling forms were sent home last week. Please take the time to fill them out so that I may schedule you at a time that is convenient for you.

One to One Computers:

Every student in class is using a Chromebook during the school day. The students have been taught proper care and internet safety. Each student **will need** a pair of earbuds or headphones to use in class. Please have them available for your child ASAP. Thanks.

Please encourage your child to read at home at least 20 minutes nightly. Our brains develop as we "feed" them with experiences. The experience of reading (whether you're the reader or the one being read to) activates and "exercises" many of the areas of the brain.

In Class This Week

In Reading, the class is reading Tales of a Fourth Grade Nothing. They are focusing on finding details in the text.

In Math, the 1st unit is focusing on Geometry: Points, line segments, lines, and rays; triangles and quadrilaterals. Next, the class will learn how to measure angles using a protractor.
