

Mrs. Terry and Ms. Masi

November Newsletter

Conferences

Thanks to all the parents that came to see us. We enjoyed talking with you and sharing how your child is doing. If you missed your conference, please contact us to reschedule.

Homework

Just a reminder that homework comes home on Mondays and is due on Fridays. Please have your child do the work and support them as needed. It is important for students to practice what we are learning at school, and for you to see how they are doing.

Snack

Your child is welcome to bring in a snack every day. The students are hungry by 10:00. They work better when they aren't hungry.

Veteran's Day Celebration

McKinley will be having a Veteran's Day program on Friday, November 10th at 8:00. Any service members in your family are welcome to attend. We will also be collecting food for a Veterans Food Bank. Any donations would be greatly appreciated.

Math

In math this quarter we have been working on counting by 2s, 5s, and 10s. We have been telling time by 5 minutes, adding numbers to 20, and solving number stories.

Reading

In reading we have been asking and answering questions about fiction and nonfiction texts. We have been retelling stories using beginning, middle, and end. Students are also learning about nonfiction text features.
