Thank you!

Thank you to all the families who attended conferences! We are excited to build a relationship with you and work together to ensure your child's success not only this year, but for years to follow! When they see how important school is to you they will be excited to learn and grow, as well. We will meet again in February, and we will do another home visit for each student in the Spring. We will also be hosting family events on upcoming Fridays. We'll keep you posted!

Homework...

We're getting a great response so far...keep up the good work! Though you might think it's wrong or messy, we expect your child to complete their own homework with you as their teacher to guide them. Encourage them and let them know mistakes are ok! That's how we learn!

Parking Procedures

There is NO PARKING in front of the school (32nd Ave) on the West side of the street. This is for Bus and Day Care drivers ONLY. Please be on time to pick up your child.

Phone Numbers and Day Care

We kindly request that if your phone number has changed since you registered your child that you please let us know. Also, if your child will be changing daycares, starting or stopping daycare van pick-up or drop-off, we appreciate being updated.

MCKINLEY ELEMENTARY SCHOOL

By June 2022, McKinley Elementary will be ranked in the top 5 Title 1 Elementary Schools in KUSD by building a foundation that focuses on academic growth and character development.
