

November 3rd grade Newsletter

Mrs. Orton and Mrs. Talley

Thank you for attending....

It was great seeing you during conferences! We enjoyed discussing all your child's growth and excitement to learn. Please continue to read with them every night. If you have any further questions, please feel free to contact us.

Homework....

Just a friendly reminder, that homework comes home nightly. Your child is responsible for completing and returning their homework. Please continue to check their daily work folders as well.

Snacks please....

We have a snack time every day. When your child does not bring a snack, they are hungry. Healthy snacks should be sent to school with your child every day. Here are some ideas: cheese & crackers, fruit snacks, fruit, veggie, granola bars.....

A Reason to Celebrate....

On November 10 @ 8:00, we will be celebrating Veteran's Day. Any service member in your family is welcome to attend. We are also collecting food for a Veterans Food Bank. Thank You!

Dress for the Weather....

As the weather continues to stay cold, please make sure your child comes to school dress for the temperature. They will continue to have recess. Hats, mittens, and warm jackets are highly recommended.
