**FOLDER** IS? I DON'T.  
AT THIS TIME I ONLY  
HAVE 8 OF THEM IN  
THE ROOM TO HAND  
OUT.

***With the 1<sup>st</sup> Quarter finishing up this week, I've had the opportunity to look back and see all the great things that your children have accomplished. I know that 4<sup>th</sup> grade is a hard transition year, but all have taken on the challenge and are getting prepared for what the class will work toward next.***

**Conferences**

Thanks to all the parents that were able to come to Conferences. It is always great to have a few minutes to talk about the accomplishments of your children.

**Read to Succeed**

A form will be sent home this month for your child to participate in Six Flags Read to Succeed. Please fill out the dates and amount of time read. The goal is 6 hours. Forms are due Feb 22, 2018.

Please encourage your child to read at home at least 20 minutes nightly. Your memory makes connections between what you already know about the topic of the story and its content. You integrate new information learned through reading further strengthening and growing your network of knowledge.

**In Class This Week**

In Reading, the class is reading *The Boxcar Children*. They are focusing on finding key details in the text and vocabulary.

In Math, the 3rd unit will focus on multiplication, multiples and prime/composite numbers, and number patterns. The students will also begin to master multiplication facts 2, 3, and 4 through 12. There will be a quiz each Friday on the weekly fact.
