UPCOMING
INFORMATION/
EVENTS THAT ARE
HAPPENING.

I can't believe how quickly the year is passing us by. Soon it will be the Holiday break and 2017 will be a thing of the past. I am very happy with the progress of the class. The students are working hard in all of their academic subjects and bring a positive energy to my class every day.

I hope you and your family have an enjoyable Holiday season.

Read to Succeed Tickets

I hope everyone continues to complete their Six Flags Read to Succeed form. Please fill out the dates and amount of time read. The goal is 6 hours. Forms to get the free ticket is due Feb 22, 2018.

Please encourage your child to read at home at least 20 minutes nightly. The more time you are exposed to something and the more time you spend practicing it, the better you'll become at performing it. This is absolutely true for reading. Research shows that children who have repeatedly been exposed to books from birth generally exhibit strong reading abilities.

In Class This Week

In Reading, the class is reading Holes. They are focusing on finding key details in the text and vocabulary.

In Math, the 4th unit will focus on understanding place values with decimals and how to add/ subtract decimals. The students will also begin to master multiplication facts 4 and 5 through 12. There will be a quiz each Friday on the weekly fact.

In Social Studies, the students will be learning about the American Revolution and they will become familiar with the U.S. Constution and the Bill of Rights.
