Parent Teacher Conferences!

Conferences are coming up again! We look forward to meeting with you to show off your child's progress, discuss learning goals to continue at home, and plan for those students going on to kindergarten in the Fall! Home visits will also be scheduled at your conference. Conferences is also a great time to stop in the office to pay school fees and update phone numbers and address which may have changed since the beginning of the school year. McKinley Elementary is expecting 100% parent participation during conferences!

Homework...

We're getting a great response so far...keep up the good work! Though you might think it's wrong or messy, we expect your child to complete their own homework with you as their teacher to guide them. Encourage them and let them know mistakes are ok! That's how we learn!

Parking Procedures

There is NO PARKING in front of the school (32nd Ave) on the West side of the street. This is for Bus and Day Care drivers ONLY. In the event of extreme cold, rain or snow students wait indoors until class begins. AM students may enter the gym in the back of the school with the older students. PM students may wait in the main entrance.

MCKINLEY ELEMENTARY SCHOOL
