February is Black History month. The 4th and 5th grade classes are studying a Black History guide of important people, places, and events in United States History. The students are taking 2 quizzes a week based on the guide and a shorter study guide provided by me. The entire 4th/5th grade will be taking a qualifying test on 2/19 for a chance to compete in a district bee against all the other elementary schools in Kenosha.

UPCOMING

The next set of Parent/Teacher conferences will be coming up the week of February 19. I will be sending home scheduled times this week. Please return the form letting me know if you are able to attend.
