

## 2<sup>nd</sup> grade Newsletter

This past month we were busy Learning about:

- Dr. Seuss and read across America
- Being a good friend to others
- Adding double digit numbers with carrying
- Subtracting double digit numbers with borrowing
- Writing stories with more details

What are we doing now:

- We will introduce multiplication using arrays
- Continue writing longer stories using strong transition words and details.

What's new:

- We will be having a weekly nutrition lesson every Monday for 6 weeks

Mark your calendars:

- No school Friday- March 23
- Spring Break starts March 30-April 8
- Zoo field trip May 31 (details coming later)
