 - 3/16 Early Release 11:21a.m.
 - 3/30 - 4/8 No School, Spring Break
- 4/11-4/24 FORWARD EXAM

Conferences: 70% of our classroom families came to conferences last week. There is a note in your student's Monday folder requesting you to reschedule if you were not able to attend. I know there are a lot of colds going around. Please call me at 359-5850 to reschedule. Thanks!

Homework:

Soc. St. was discussed during conferences. If your student isn't bringing theirs home, they should be. Students may show you their Google Classroom online which shows what assignments were given each day. (For Science and Social Studies) Students should be able to access that from home through our school's website, or on their Google accounts.

Writing: Our writing assignments are taught in their homeroom. Third quarter goals include writing longer, well-organized informative paragraphs for INFORMATIVE WRITING.

Please contact me if you have any questions. I can be reached at gbohm@kUSD.edu or through the office phone number (262) 359-6002.

From Ms. Young (Orchestra) *The Kenosha Youth Symphony Orchestra will be performing for our fifth grade students this year on April 11, 2018 at Reuther. The performance times will be 11:00 am and 12:30 pm. I will send out more information this week in regards to which performance your building will be assigned to, transportation information and a permission slip. Please let me know if you have any questions. Thanks, Heather*
