

## Student At-Home Login to Google Classroom

1. Launch an internet browser (preferably Chrome or Firefox)
2. Go to your school's homepage (ex.mckinley.kusd.edu)
3. Click on the link in the sidebar menu that says "KUSD Gmail and Google Apps"
4. In the grey Single Sign On box, students should type:
  - a. Username: 8-digit ID Number
  - b. Password: the **same password** used to login to the Chromebooks at school

**Single Sign On**

Please enter your user name and password.

User name:  \*

Password:  \*

5. Once logged into Google Drive, students should click on the apps waffle  in the upper right corner.
6. Students should select Google Classroom from the apps waffle.
