April 2018

Welcome Back!

Welcome back from Spring break! We hope you feel relaxed and ready to jump back in to school! We are going to continue focusing on recognizing and writing letters, especially those in our names. The students are making great progress already and are enjoying ABC songs and games we have been playing with them! We are going to begin to talk about the transition to Kindergarten with our children that will be moving on. Home visits will be a good time to talk about any questions that you have about your child's transition.

Important Dates:

Please mark the following dates on your calendar:

April

-9 Schools re-open

During the month of April and May, your child's teacher will be setting up Home Visits. Please talk with your child's teacher if you have not set up a time.

Important Reminders

*Attendance for all students is crucial to their education! At the end of April we will begin our PALS assessment, and we need your child in school in order to complete these assessments. This information will help your child's future teacher as they plan for their new class. If your child is going to be absent for any reason please call McKinley at 359-6002.

*If you arrive at school after our class has gone into the school, please stop in the office to get a tardy slip.

Thank you for your continuing support!
