

Second Grade

April Newsletter

We are now in the fourth quarter of second grade! We will continue to work on adding and subtracting 2 and 3 digit numbers with regrouping. We will be practicing fractions, money, place value, and fractions too! Practice counting coins with your child. Try to have your child read for 15 minutes a night to improve fluency.

Summer School

Remember to sign your child up for summer school if they were recommended. Registration is online only.

Reminders:

We have our first field trip on Wednesday, April 25th. Please sign and return the permission slip as soon as possible. We will also be going to the Milwaukee Zoo at the end of May. More information will be coming soon.

Homework comes home every Monday. Please have your student complete and turn in on Friday.

Snack

Your child can bring in snack everyday if they want to. We have a healthy snack 2-3 times a week, but sometimes students don't take it and get hungry.
