Kindergarten and 4 K Registrations:

Your help is needed! Pass the word to neighbors, relatives and friends that Kindergarten and 4K Registration for the 2018-2019 school year is underway. Early registration affects our classrooms and especially class sizes. So pass the word! Please share this important information with families that may not currently attend McKinley but who plan on having a student or kindergarten student attend next year. Children must be 4 or 5 years old on or before September 1, 2018 to be eligible for 4K and

Kindergarten. All incoming students must register online followed up by bringing the following items to the school office: you must bring your child's current immunization record, original birth certificate and proof of residency such as a gas or electric bill. Call the office for additional information at 359-6002.

Sports Day:

Sports Day will be Thursday, June 7th. Please watch for a sign-up sheet for parent helpers coming soon!

Summer School:

Students who are recommended for summer school have been recommended because they are not at grade level. The purpose of the 25 days of summer school is to boost your child's skills in order to be successful for the following school year. Choosing to not follow the recommendation is NOT in your child's educational best interest. If you have any questions, please call Mrs. Giampietro at (262)359-6002 or email tgiampie@kUSD.edu.

The Summer School sessions will be held beginning Wednesday, June 20th and ending Tuesday, July 24th. Classes will be held Mondays through Fridays. There will be breakfast and lunch served during summer school. Students who do not attend Summer School may take advantage of breakfast and lunch at no cost. There will be no school July 4th. **Summer school for the McKinley Elementary families will be held at McKinley Elementary School.**
